## Gummies

- ◆ We can do our current formulations or new ones to your business choice.
- ◆ We currently do CBD, CBD+CBG, CBD+Melatonin, CBD+B12, Delta 8, Delta 8+Delta 10.
- ◆ Our gummies are tapioca based, 100% Vegan, with all natural flavoring.
- ◆ We offer a wide variety of flavors and potencies.
- ◆ We currently offer bear shapes, square shapes, and thimble shapes.

## Delta 8/CBD Syrups

- ◆ Our most unique and loved product D8 Syrup with a handful of flavors. Offering multiple flavors. Our Standard size bottle is 2oz bottle for a full 300mg of D8 Syrup. Also available in tincture bottles.

## Cartridges

- ◆ Our lead free vape carts are a safer solution for your customers. Our cartridges are a high terpene vape cart engineered to deliver the most flavorful and optimum vapor. These cartridges are based on a design proven to be able to support high terpene hemp oil content without leaking. All vape cartridges are 510 thread compatible with a screw on mouthpiece and feature options that can both elevate and reflect your brand.

## Disposables

- ◆ Device is free of detectable lead, arsenic, mercury, and cadmium.
- ◆ Meets all state requirements for heavy metals
- ◆ Performs well with all oils
- ◆ Custom wood and ceramic tips available
- ◆ Full logo printing available on tank of cartridge
